

## Graffiti Removal Authorization

Downtown Berkeley Association (DBA) provides a graffiti removal program for property owners within the boundaries stated in the Downtown Berkeley Property Based Improvement District Management Plan. The DBA will remove or cover graffiti from the first floor of buildings or other structures whenever the graffiti is visible from a public right of way. **With the permission of the property owner**, DBA intends to attempt to remove this graffiti within 24 hours of observing it or within 24 hours of receiving a request from a property owner to remove it (subject to weather conditions, Sundays and holidays excepted).

If you would like to receive this service, please submit a separate right of entry consent for each building address you would like the DBA to help free of graffiti. You may, if you wish, complete one right of entry consent form and list or attach multiple addresses.

If you have any questions, please call **Lance Gorée at 510-549-2230, x13.**
