Get your very own Pizza Kit by ordering from the Bobby G's website for take-out or delivery, then follow the easy directions! Each kit includes ingredients enough for a single small 12" pie. Order 2 or 4 at a time with your choice of toppings!

Each Bobby G's Pizza Kit comes with:

1. House made flour dusted dough for a small pizza
2. House made organic marinara
3. Grande low-moisture mozzarella/provolone cheese blend
4. Your choice of toppings!

Directions:

- 1) Pre-heat your oven to the to 450 degrees

If you have a "Pizza Stone" pre-heat your oven with the pizza stone inside your oven.

- 2) Unwrap the flour dusted dough and flatten/stretch your dough to the desired shape and thickness by hand pushing and pulling. Small pizzas are usually 10-12" in diameter.

Try hand tossing but be careful!

- 3) Place stretched pizza dough onto a pizza pan, pizza stone, baking sheet pan or cast-iron skillet.

- 4) Top the dough with Bobby G's house made marinara then pizza cheese included in the pizza kit. A spoon is helpful in spreading the sauce evenly.

- 5) Finish your pizza by adding the toppings. Get creative by adding some ingredients you already have in your fridge!

- 6) Bake Pizza for 18-20 minutes or until golden brown. Let pizza cool and then ENJOY!
